**Unfinished Business**

Ernie Coffman represented Computerbugs at Information Fair February 28 at Club Northwest. He reported a worthwhile event, talking to about 20 people in the three-hour period. He suggested that a display board would be helpful for another such event.

**New Business**

Bill will order 500 more brochures. The only change suggested is that a second contact be named in the brochure. Jim agreed to be that person.

Jim moved that the club purchase a wireless card bus adapter costing up to \$60. Motion approved.

A space in the August Courier parking lot sale will be reserved when application comes.

The board will appoint a nominating committee.
