

COMPUTERBUGS Board Meeting

Community Room, 229-A SW G Street, Grants Pass, OR 97526

July 2, 2008

- President Rury Ervin opened the meeting at 10:00 a.m. Others in attendance were: Norma Pedrick, Treasurer; Joanne Shields, Member-at-Large; Jim Frego, Administrative Advisor; and, Secretary Ernie Coffman.
- Then, Rury explained that she would introduce the new board members at the next general meeting, on July 9th. Further discussion went on about the cake and drinks that would be served, since this was our sixth anniversary. Norma suggested that we change the format for the meeting and have it more informal, in a circle, so that we could discuss computer problems and such, by looking at one another. This was agreed upon wholeheartedly!
- Joanne asked if the minutes were approved, as seen on the website. Everyone was in agreement that they were.
- Next, Joanne asked Jim about some non-members trying to sign-up for the listserv. From this discussion, we had a suggestion on how to get on the listserv, when you were joining the club and to take the present way off of the listserv. Everyone was in agreement.
- From that discussion, we discussed Qwest as a possible program, with a lot of input on the positives and negatives of these various ISP programs in the valley. Jim will contact Qwest to see if they could offer us a possible program on the 23rd of July.
- Then, Norma indicated that we keep the same officers on the bank account, for signing checks, etc., so as to make it simpler to deal with, and official. Everyone was in agreement.
